

Smooth Cotton High White 100% Cotton 315gsm

100% Cotton Fourdrinier Acid Free Paper

This silky smooth surface structure has been designed to ensure we maintain the natural characteristics of a smooth high-white art paper whilst maintaining the necessary natural aesthetics demanded by artists. The surface has a special matte coating, designed for high quality fine art & photographic reproduction and print applications with inkjet (giclee) technology. It is a high white ultra smooth surface archival quality paper with excellent colour gamut.

Applications:

Fine art & photographic reproduction
Photo restoration
Greetings cards and postcards
Art and Photo portfolios
Graphic presentation and display

Compatible with:

Dye & Pigmented inkjet systems
